

Community Engagement and Accountability

What is it?

It is the process of and commitment to:

Listen to and act on community needs and feedback.

Provide information as aid

Support behavioural and social change communication

Support communities to speak out.

Why do it?

Helps to put communities at the centre of what we do.

Sharing information and listening to people's feedback and concerns improves our programmes and build trust.

What are the outcomes?

More resilient communities

Stronger accountability to communities

Sustainable and community driven programmes

Improved acceptance and trust

More knowledgeable, skilled and connected communities
